**★ Chairman**

**I will ask you one last question**

**What is the series of communication satellites of India?  
( INSAT)**

**Ok He smiled and said ok Your interview is over .you can go**

**I said thankyou and Greeted them**

**Observation**

**Max interview was Technical. May be because Of my master's and teaching experience, all the panel members sticked to the technical topic . The next question emanated from what I said in previous answer so continuous questions were going on one**

**after other ...!!!**
